## Your Future Career

As an expert in visual media, you will work - for example - in the applied field of portrait, fashion, editorial advertising, product or reportage photography. Further professional fields arise within the new image media or in the areas of curation and image editing as well as in artistic photography.

## Your Success Is Our Mission

- State-accredited programmes recognised worldwide
- Practical approach through internships, case studies, field trips
- Unique competence-based teaching concept: CORE
- Interactive, fun learning centred on individual support
- Personal guidance by our Career Service
- "Customise your studies" exclusive offer
- Partner universities for exchange semesters abroad
- Open, international environment
- professional photo rental, photostudio and darkroom

## Financing Your Studies

- EU students have access to 100% financing via "Study Now, Pay Later", solidarity-based initiatives designed to allow equal opportunities for all. Reimbursement starts after graduation and reaching a minimum income threshold.
- Non-EU students can take advantage of student loans/scholarships in their home country.
- Remarkable students may be considered for our Scholarship Programme and win up to 50% on their year 1 tuition fees.

**"For me, studying photography at BSDC was perfect. I was challenged and encouraged. In my opinion, this is exactly what is needed in design courses."**
