Your Future Career

Companies are keenly aware of how vital their staff and high employee satisfaction are. As a business psychologist, you can advise company management on these topics and design and offer actions in the area of personnel and organizational development. Most of our graduates work successfully in marketing and human resources. However, thanks to your business administration and psychology training, you are in demand in the labour market and can accept a wide range of positions.

Your Success Is Our Mission

- Globally recognized and renowned degree programme (state accredited)
- Direct entry possible: No foundation year required
- Holistic and hands-on approach to learning
- Personal assistance at our Career Service
- Choose additional courses at other schools such as design or engineering
- Compatible with the best business administration master's programmes in Germany and the world
- Complete a semester abroad at one of our partner universities
- Students from 100+ countries provide international flair

Financing Your Studies

- Find support with student loans such as Daka Berlin: Repay your loan only when you are employed and earn a certain income.
- Education funds such as the SRH Berlin Bildungsfonds from Brain Capital also provide financial help: When you start working and have a fixed minimum income, you pay back a percentage of your salary.
- Additionally, there is Bafög and various other scholarships. Find more information on our website.

"A business degree with psychology content is the perfect combination for me. I'm very interested in both and it's closer to reality."
