Your Future Career

A degree in Healthcare Management will open up career paths in business consultancy and management positions within the healthcare industry. Help a hospital or clinic run smoothly —your expertise in administration and organisation covers everything from budgets to staffing and records. You can work as a human resources manager, as a management consultant, and in management positions in institutions and companies in the healthcare sector.

Your Success Is Our Mission

- Globally recognized and renowned degree program (state accredited)
- Fundamentals of business administration and innovative healthcare subjects
- Holistic and hands-on approach to learning
- Personal assistance at our Career Service
- Choose additional courses at other schools, such as design or engineering
- Compatible with the best business administration master's programs in Germany and the world
- Complete a semester abroad at one of our partner universities
- Students from 100+ countries provide an international flair

Financing Your Studies

- Find support with student loans such as Daka Berlin: Repay your loan only when you are employed and earn a certain income.
- Education funds such as the SRH Berlin Bildungsfonds from Brain Capital also provide financial help: When you start working and have a fixed minimum income, you pay back a percentage of your salary.
- Additionally, there is Bafög and various other scholarships.

"The combination of health and economic sciences is crucial to address current and future economic challenges and health politics."
