Your Future Career

The programme sets you up for a variety of roles within the supply chain ecosystem of international companies. Your grounding in general management topics like finance and marketing, along with specialised knowledge in supply chain operations, makes you a multifaceted professional. The elective modules offer further opportunities to tailor your educational journey to align with your career aspirations.

Your Success Is Our Mission

- State-accredited programmes recognised worldwide
- Practical approach through internships, case studies, field trips
- Unique competence-based teaching concept: CORE
- Interactive, fun learning centred on individual support
- Personal guidance by our Career Service
- "Customise your studies" exclusive offer
- Partner universities for exchange semesters abroad
- Open, international environment

Financing Your Studies

- EU students have access to 100% financing via "Study Now, Pay Later", solidarity-based initiatives designed to allow equal opportunities for all. Reimbursement starts after graduation and reaching a minimum income threshold.
- Non-EU students can take advantage of student loans/scholarships in their home country.
- Remarkable students may be considered for our Scholarship Programme and win up to 50% off their year 1 tuition fees.

"YOUR tomorrow is our business. We're reinventing international management education towards the competence-oriented development of YOUR skills."
