### **Electronic Music Production and Sound Design**

Our B.A. Audio Design focuses specifically on music production, sound design and composition as well as music technology. Create immersive soundscapes along with sound design and compositions for films and games. Fashion your own soft and hardware-based musical instruments. Utilise the computer as an arranging tool and digital instrument.

### **Career Opportunities**

With a degree in Audio Design you can work as a sound designer, music producer, audio engineer, film musician, composer, software developer or product manager. You can also work in media and design agencies, the phono industry, labels and studios, advertising and production companies, TV and radio stations, radio play publisher or game producers.

### **Entry Requirements**

- General higher education entrance qualification (Abitur) or university of applied sciences entrance qualification (Fachhochschulreife)
- Artistic works: three one-minute MP3s as independent artistic works
- Proof of English proficiency: IELTS 6.5. We accept: Academic IELTS, IELTS Indicator | TOEFL iBT | PTE | CAE/CPE/FCE | Duolingo.
