## Develop Your Unique Visual Language

Styling models, building sets, setting up lighting, obsessing with details. Scouting locations, capturing moments. Merging analog and digital. If this is your world, then our Photography degree is perfect to help you develop your own visual language.

## Career Opportunities

With your degree in Photography you can work in the applied field of portrait, fashion, editorial, advertising, product or reportage photography.

## Entry Requirements

- General higher education entrance qualification (Abitur) or university of applied sciences entrance qualification (Fachhochschulreife)
- Portfolio with approx. 15 – 20 own creative works
- Proof of English language proficiency
- CV
- Copy of ID/passport

## Basic Information

### Why study with us? We offer:

- Develop an individual visual language
- Learn to express messages visually and narratively, to make sense of photography, new visual media and their connection to film and web
- Strong orientation of photography towards new image media such as CGI, 3D, 360° x 180° and AR/VR

## Financing Your Studies

- EU-Students have the opportunity to finance their studies with the SRH Education Fund via Brain Capital or Chancen e.G.
- Non-EU students can take advantage of student loans or funding opportunities offered by their home country.
- Particularly talented students may be considered for our scholarship programme. We will check this after receiving your application.

We're happy to assist you. Just get in touch.
