Redesign IT Landscapes

In modern companies, a reliable IT system is a decisive factor in carrying out successful management strategies. If frameworks, applications, and exploits are familiar terms to you, then our Master's degree focusing on IT Management is the perfect choice for you.

Career Opportunities

With an M.Sc. in Digital Transformation Management, you will be able to support companies in introducing new IT architectures or converting old, existing architectures. You can work as a digital business manager with expertise in all facets of digital transformation and in-depth knowledge and abilities in IT management and strategy.

Entry Requirements

- Related university degree (Bachelor's or Diploma) with at least 180 ECTS in Business, Computer Science, Business Information Systems, or similar. Alternatively, a non-business related university degree (at least 180 ECTS) + 6 months related work experience.
- Proof of English proficiency: IELTS 6.5. We accept: Academic IELTS, IELTS Indicator | TOEFL iBT | PTE | CAE/CPE/FCE | Duolingo. Waiver possible.

We offer Conditional Acceptance.

Your Path into the Future

Our Career Services offers you:

- Workshops and career days
- Application training and interview coaching
- Check of job application documents
- Support with internship, post-graduate job search
- Field trips to partner companies
- Access to our large network of corporate partners
- Exclusive career portal on JobTeaser.com

Financing your Studies

- EU students have the opportunity to finance their studies with Study Now, Pay Later options via Brain Capital or Chancen e.G.
- Non-EU students can take advantage of student loans or funding opportunities offered by their home country.
- Remarkable students may be considered for our Scholarship Programme and win up to 50% on their first-year tuition fees.

Gain a Competitive Edge

- Take up German language classes with our Centre for Languages and Diversity.
- "Customise your Studies" with additional courses from over 50 study programmes.
- "Wild Studies": Create your own timetable for one additional semester choosing from a range of courses at SRH Berlin University of Applied Sciences.
