Develop, Manage and Analyse Complex Value Chains

Deal with multi-level value chains, digital business processes, and IT structures while strengthening your leadership and communication skills. Learn the concepts, methods and techniques of modern supply chain management in Hamburg, one of the largest trade, economic and logistics centres in north-western Europe.

Career Opportunities

With a degree in Supply Chain Management, you can work in leading, international positions in supply chain & logistics management as well as operations and procurement.

Entry Requirements

- Min. 3-year Bachelor's degree (180 ECTS) in logistics, business engineering, business administration/management, engineering or IT from an accredited university.
- Proof of English proficiency: IELTS 6.5. We accept: Academic IELTS, IELTS Indicator | TOEFL iBT | PTE | CAE/CPE/FCE | Duolingo. Waiver possible.

We offer Conditional Acceptance.

Your Path into the Future

Our Career Services offers you:

- Workshops and career days
- Application training and interview coaching
- Check of job application documents
- Support with internship, post-graduate job search
- Field trips to partner companies
- Access to a large network of corporate partners
- Exclusive career portal on JobTeaser.com

Financing your Studies

- EU students have the opportunity to finance their studies with Study Now, Pay Later options via Brain Capital or Chancen e.G.
