SRH Berlin University of Applied Sciences  
Berlin School of Management

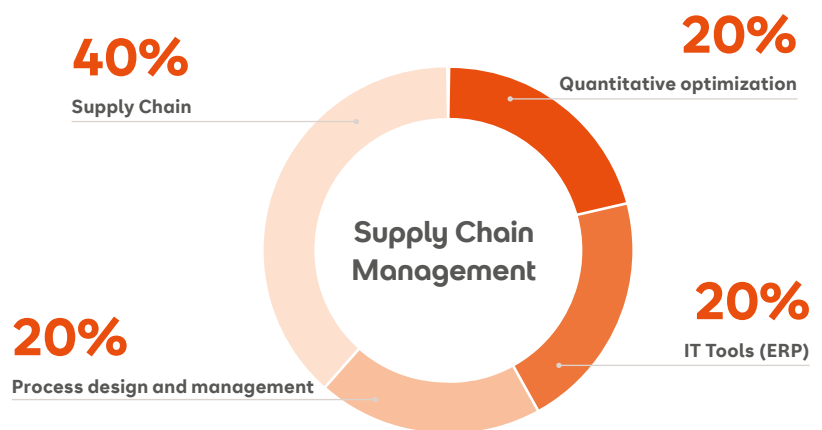

# Supply Chain Management | M.Sc.

# Our Unique Curriculum for You

Our Master's programme helps you design, manage, and analyse complex supply chains. You gain skills to conceive global supply chain strategies and designs. You learn how to design business processes, including the critical processes for planning, sourcing, producing, and delivering. You apply essential IT systems, such as ERP systems, and get an introduction to SAP S4 HANA. You understand the tools to optimise supply chain performance by learning operational research and business intelligence.

## Competencies and Curriculum

- Fundamentals of global Supply Chain Management
- Supply Chain toolbox for performance improvement and cost reduction
- ERP (SAP S4 HANA) and digital SCM tools
- Process modeling and design
- International law
- Leadership

Company Project III

Master's Thesis

## Your Future Career

Upon graduation, you can manage complex supply chains and are prepared for demanding management positions around the globe. You will work, for example, as a supply chain manager, demand planner, supply chain improvement manager, logistics manager or procurement analyst.

## Your Success Is Our Mission

- Our mission is to prepare you for a career in German and international companies right after graduation
- Globally recognized and renowned degree programme (state accredited)
- Holistic and hands-on approach to learning
- Personal assistance at our Career Service
- Students with diverse background lead to increased understanding
- Teachers with practical background balance state of the art and pragmatic approaches

## Financing Your Studies

- Find support with student loans such as Daka Berlin: Repay your loan only when you are employed and earn a certain income.
- Education funds such as the SRH Berlin Bildungsfonds from Brain Capital also provide financial help: When you start working and have a fixed minimum income, you pay back a percentage of your salary.
- Additionally, there is Bafög and various other scholarships. Find more information on our website.

**"The professors and curriculum not only provide you with subject-matter expertise but also train and continuously interact with you to succeed in an industry with immense competition."**

## Key Facts and Figures

### Start

April and October
