Apply your Expertise to Save the Planet

Be successful in the green and blue economy. Understand systems and projects both technically and economically. Learn to work, think and act both like an engineer and an entrepreneur. Thanks to our skill-based and interdisciplinary concept, you'll enjoy first-class job perspectives.

Career Opportunities

With a degree in Engineering and International Business you can work as a consultant in companies and public institutions, in offices for planning and development or in management positions for plant operators and manufacturers as well as energy and water suppliers.

Entry Requirements

- Bachelor's degree in Engineering (Environmental Engineering, Electrical Engineering, Computer Science, Mechatronic Engineering, Mechanical Engineering, Civil Engineering etc.) or (Natural) Sciences.
- Proof of English proficiency: IELTS 6.5. We accept: Academic IELTS, IELTS Indicator | TOEFL iBT | PTE | CAE/CPE/FCE | Duolingo.

Your Path into the Future

Our Career Service offers you:

- Workshops and career days
- Application training and interview coaching
- Check of job application documents
- Support with internship, post-graduate job search
- Field trips to partner companies
- Access to our large network of corporate partners
- Exclusive career portal on JobTeaser.com

Financing your Studies

- EU students have the opportunity to finance their studies with Study Now, Pay Later options via Brain Capital or Chancen e.G.
- Non-EU students can take advantage of student loans or funding opportunities offered by their home country.
- Remarkable students may be considered for our Scholarship Programme and win up to 50% on their first-year tuition fees.

Gain a Competitive Edge

- Take up German language classes with our Centre for Languages and Diversity.
- "Customise your Studies" with additional courses from our exclusive portfolio.
- "Wild Studies" create your own timetable for one additional semester choosing from a range of courses at SRH Berlin.
