Contribute to the Digital Revolution of the Business World

Companies of all sizes in all industries are always searching for informatics experts to help them meet their individual targets and enhance their services. In our programme you will analyse critical data and familiarise yourself with the latest technologies. We'll teach you more about penetration testing, IT security management or cloud solutions and machine learning.

Specialisations:

- Big Data and Artificial Intelligence
- Cyber Security

Career Opportunities

With a degree in Computer Science you can work as a system and application developer, application administrator or consultant, IT service or IT project manager or as an IT consultant.

Entry Requirements

- Regular Track: 3-year Bachelor's degree (180 ECTS), min. 3.0 German GPA.
- Fast Track: 3,5-year Bachelor's degree (210 ECTS) and a 3.0 German GPA.
- The degree should be in Computer Science, Information Systems or a similar area of studies and be issued by an accredited university.
