Your Pathway to Undergraduate Studies at SRH

The new SRH International Year One by Touro College provides you with the courses and credits equivalent to a first year of undergraduate studies.

Upon completing the programme and achieving the required grades, you can directly progress to the SRH Bachelor of your choice in Berlin, Dresden, or Hamburg.

The SRH International Year One is the perfect choice for international students who need to complete one year of university after graduating from secondary school to enter our Bachelor programmes.

Note: Some of our programmes may have additional entry criteria, such as portfolio, design, or music skills.

A Gateway to Your Bachelor's

Thanks to the preparatory courses in fields such as Mathematics, Business or Sciences, you will be well-equipped to start your Bachelor's at all campuses of SRH Berlin University of Applied Sciences. By joining the SRH International Year One course, you will also receive a conditional offer to take up your undergraduate studies at SRH Berlin once you have completed your Year One.

Our Partner: Touro College Berlin

Founded in 1970 in New York City, Touro College is a multicultural US-American university with branches in several countries around the world. The Berlin campus is accredited by the state of Berlin and the German Council of Science and Humanities and offers both German and American academic systems.

Your Path Into the Future

With a 97% graduate employability rate and a strong focus on practice-oriented education, SRH Berlin is an excellent choice to kick-start your career in Germany.
