Business Law Magazine

Each quarter, the magazine reports on important questions related to German corporate, commercial, tax, labor, compliance and IP/IT law. In articles written with real-world legal practice in mind, well-known external authors from law firms and company legal affairs departments delve into the latest national and international issues.

Zeitschrift für ausländisches öffentliches Recht und Völkerrecht / Heidelberg Journal of International Law

The journal is a platform for the discussion of fundamental and current problems of public international law, Union law, comparative law and occasionally public law issues in EU member states and beyond. Its aim is to reflect a geographical, contextual and methodological diversity in the field of these topics. The journal is bilingual (German and English). All German-language contributions are made accessible to this readership through English abstracts and translation of their titles.
