

## E-Journals

### Social Work

#### **Advances in Social Work**

Advances in Social Work is committed to enhancing the linkage among social work practice, research, and education. Accordingly, the journal addresses current issues, challenges, and responses facing social work practice and education globally. The journal invites discussion and development of innovations in social work practice and their implications for social work research and education.

#### **International Journal of Social Pedagogy**

The International Journal of Social Pedagogy (IJSP) is a fully peer reviewed, open access journal publishing articles on social pedagogy. Social pedagogy has been defined as education in its broadest sense which includes all aspects of social, philosophical, and pedagogical dimensions. The journal is an important platform for dialogue that contributes to social pedagogy as an evolving interdisciplinary field. Articles in IJSP reflect the cross-cultural perspectives of a wide range of social pedagogical traditions and provide a deeper disciplinary understanding.
