University Libraries			
FU - Freie Universität Berlin	The FU is one of the 20 largest universities in Germany. There are about 150 study programs in 15 departments. These include programs in the humanities, social sciences, natural sciences, economics and law, and others in human and veterinary medicine.	FU	Free of charge
HU - Humboldt Universität Berlin	The HU is the largest and oldest university in Berlin. In addition to the classical subjects, they also offer smaller subjects such as African and Asian Studies, Deaf Studies, Agricultural Science, Protestant Theology or European Ethnology.	HU	Free of charge
TU – Technische Universität Berlin	The TU offers more than 100 study programs with a focus on combining natural and technical sciences with engineering, economics, social sciences and humanities. They have a joint library with UdK.	TU/UdK	20€ per year costs will be refunded (currently free of charge)
UdK – Universität der Künste Berlin	The Berlin University of the Arts is the largest art university in Europe. Over 70 study programs are offered in the faculties of music, design and performing arts. They have a joint library with TU.	TU/UdK	20€ per year costs will be refunded (currently free of charge)

Public Libraries			
Staatsbibliothek zu Berlin	With a collection of more than 32 million works, the State Library is one of the largest libraries in Germany and also one of the most significant in the world. Its historical collections are those of a comprehensive library.	StaBiKat	Free of charge
VÖBB – Verbund der öffentlichen Bibliotheken Berlins	The Verbund der Öffentlichen Bibliotheken Berlins (VÖBB) is an association of the municipal libraries of the 12 Berlin districts, the Zentral- und Landesbibliothek Berlin (ZLB) and the Amerika-Gedenkbibliothek.	VÖBB	10€ per year
Specialized Libraries			
Deutsche Kinemathek	The Kinemathek maintains one of the largest specialized academic libraries on film and television in Germany. Almost 48,000 books and around 3800 journal titles are available. Around 1500 DVDs can be used on site. In addition, there are extensive special collections, such as festival materials, film theater programs and distribution catalogs.	Catalog temporarily unavailable	Free of charge
Kunstabibliothek – Staatliche Museen zu Berlin	This library represents the entire research and collection spectrum of the National Museums in Berlin and contains around 1 million volumes. It also holds extensive museum collections on the history of architecture, photography, graphic design and fashion, as well as book and media art.	KB	Free of charge
BBF - Bibliothek für Bildungsgeschichtliche Forschung	The Bibliothek für Bildungsgeschichtliche Forschung (Library for Research on the History of Education) is the largest specialized educational library in Germany, with a collection of approximately 730,000 volumes. It sees itself as a research library for the entire field of historical educational research.	BBF	Free of charge
